

SCHOLARSHIP 2024/2025

The Thibodaux Service League proudly announces a scholarship opportunity designed to support exceptional graduates of E.D. White Catholic High School or Thibodaux High School as they embark on their educational journey at Fletcher Technical Community College. Valued at \$1,000 (\$500 per semester), this scholarship is reserved for first-time freshmen who have maintained a commendable 3.00 GPA in high school and demonstrate financial need. Disbursed across two consecutive semesters, the scholarship requires recipients to sustain a minimum 3.0 GPA and full-time enrollment status for both the first and second semesters. Preference is given to applicants with a demonstrated commitment to community service, whether through high school organizations or personal initiatives, evidenced by a resume or letter detailing their service experiences. As part of the application process, applicants are required to provide a comprehensive resume or a letter detailing their involvement in community service activities. This scholarship not only serves as a financial support system but also acknowledges the importance of giving back to the community. We encourage all eligible students to apply and showcase their dedication to academic excellence and community enrichment.
